In the middle of a soaring career, **CHUCK GALLAGHER** lost everything as a result of his improper ethical choices—and he's paid greatly for his crimes. After repaying his debt to society, he rebuilt his career and his life back to immense success.

With more vulnerability than the average speaker, he shares with audiences his fascinating life's journey, the consequences of his unethical decisions and how second chances come when you make the right ones. The go-to guy when it comes to ethics and ethical leadership, his unique insights are frequently called upon by CNN, CBS, NPR and other national media outlets. He is also the host of the radio program *Straight Talk*, tackling pressing issues from Main Street to Wall Street in a spirited, entertaining manner with guests from all walks of life.

Chuck's focus is business, but his passion is empowering others. Connecting the dots between ethics and success, he delivers like no other speaker, revealing what's needed to turn concepts into actions and actions into results. In fact, Chuck's new book, *SECOND CHANCES: Transforming Adversity*

into Opportunity, has received numerous endorsements and has been described as one of those rare books that effectively bridges the gap between personal accountability and business success.

Currently vice-president in a public company, Chuck is an industry professional sharing practical, time-tested methods for enhancing personal and professional performance—without sacrificing one's principles.
